**Football (Grade 2)**- Grade 2 Football Club will seek to improve and develop the basic skills of passing, passing into space, trapping, shooting and heading the ball. The children will be taught basic skills and will develop these skills in team activities culminating in competitive 5/6 a-side games. It is hoped the children will also develop their teamwork skills, awareness of positions and tactics in real game situations.

**Football (Grade 4)**- In Grade 4 Football Club children will develop the ability to use the ball with purpose in real game situations by passing into space and anticipating runs and the movement of players around them. The club will also foster and develop an awareness of positions and tactics in real game situations. Competitive matches will be played at the end of each session to practise the skills which have been introduced.

**Ball Games (Grade 4,5&6)**- Ball Games club will be a fun club which will change each week. The children will develop a wide range a throwing and catching skills and play a number of games and matches to practise them. From basketball, to football, dodgeball and tennis this club will develop a number of skills throughout the 8 weeks.

**Painting (Grade 1&2)**- Painting club will focus on a number of painting skills. Each week the children will be able to explore different types of painting through an artist's style. There will also be a wide range of painting opportunities including bubble painting, string painting, and marble painting.

### **Wednesday**

**Football (Grade 6)**- Football club will teach the children shooting, passing and ball control skills. Teamwork and communications skills will be developed in games and sportsmanship encouraged. Each session will work on a specific aspect of football helping to improve technique and decision making. Fun games will then be used to apply these newly learnt skills in a range of exciting activities.

**Modern Dance (Grade 3,4,5&6)**- Modern dance club will teach the children new moves and sequences each week. The children will be given opportunities to use what they have learned to make their own sequences. Dance club will not only improve co-ordination, but also confidence and overall fitness levels.

**Art and Craft (Grade 1&2)**- Art and Craft Club is a hands-on club for children with a passion for making and creating things. Throughout the 8 weeks the children will use a number of resources to design and make a different artefact each week which can be taken home.
